

Send us a copy of your project plans featuring Vantage, AWS Commercial or ThermalHEART™ products and you will go in the draw to win a suite of Revit Architecture valued at \$9500!

AWS WINDOW SPECIFICATION COMPETITION

For more information please contact Mike Ross or Murray Chaloner on **02 8783 7611**, Or email us at:- techsupport@awsaustralia.com.au

The Architectural Window Systems “Window Specification Competition” is open to all registered Architects within Australia. To enter the competition you must supply AWS with a plan and/or window schedule for a project where AWS products (Vantage, AWS Commercial or ThermalHEART™ have been specified.

1 - When are submissions being accepted?

Between April 1, 2009 and June 30, 2009. June 30, 2009 is the closing date for complete submissions.

2 - How is the competition run?

One of the eligible projects submitted within each category will be randomly selected by lucky draw from the entrants.

There are three categories

- Architect
- Building Designer
- Student (download the student competition brief from vantagealuminium.com.au or awscommercial.com.au)

2 - How are entries made?

Entries should be submitted via email to:-

techsupport@awsaustralia.com.au to be eligible entries must include a plan and window schedule and be accompanied by a competition entry form.

4 - What are we looking for?

We simply want to see AWS Product specified on your residential or commercial project

5 -The prize

The winner of each category will receive a licensed copy of “Revit Architecture” an innovative suite of 3D modeling software from Autodesk
